LETTER FROM COLUMBIS.

COLUMBUS, KY., October 11, 1861. EDITORS APPEAL: Affairs at this point are still quiet, everything within the lines moving off with the monotony of a garrison in times of profound peace. Were we not a volunteer army, who are supposed to know something of the purposes for which they are enlisted, and feel natural interest in the cause they have espousedy eveninquiry would be silent where there is so to their appearance and the efficiency of their now is, "Forward to Padneah!" officers as exhibited in their drill, so thoroughly

are soldiers reduced to machines. Under this State of things, an order directed to Maxwell, in command of the Shelby Light Draforty men and two days rations, scarcely led to an inquiry as to the probable destination of the o'clock on the 8th, and the following morning found forty of the Shelby Ligia Dragoous, Lieu tenant Armstrong in command, and forty of the Memphis Light Dragoons, Capt. Taylor commanding, in their saddles ready to receive murching orders. The expedition was commanded by thought we shall have a concert to-day, whose Licut Cel. Logwood, and the party caught principal notes shall be heavy buts. the first sight of the sun on the morning of the ninth from the highes above Columbus beyond which lay the direction of their route. From the New York Times, Sept. 30.) A man well acquainted with the country lying between here and Paducah, acted as guide, and after passing beyond Blandville, led the expe

their retreat, than rapid firing in their rear evision the cover, and the detachment in advanced from the cover, and the detachment in advanced from the government to oppose it successfully. If the invasion of Kentucky is not met with all promptions, and with a high salary, as povernment, the picket shad advanced by the main road to the picket shad advanced by the main road to the picket shad, and as they seem to have had been a priest, and getter, and derived gean from the intolerable pain which he suffered at the thought of being heaceforth useless in the world. Full of her noble object, she sought and obtained a situation, with a high salary, as povernment to oppose it successfully. If the full, the party who made the arrack upon march of Gen. Johnston into the Ohio valley, and the wintering of the grand army in the vities of Louisville and Cincinnati.

Kentucky will be a gient in the wellt; but The salary was highly in conditional as it main in her touching above the prevent of the grand army in the vities of them would refleve Jean from the intolerable pain which he suffered at the thought of being heaceforth useless in the world.

Full of her noble only carthly friends: but, as such, they were the world at the pain which he suffered at the thought intolerable pain which he suffered at the thought intoler pickets taken prisoner.

About this time an incident occurred which affair of this nature should be carried to a successful termination without casualty on our saids of the Ohio valley will go to fixed traitors. wife. side, but the painful nature of this affair was doubled by the fact that the death of a comrade party who proceeded by the main road to the these deprodations. party who proceeded by the main read to the attack, and was among the first to discharge his piece at the sergeant of the piece, who was at the time with the burses, a short distance from the ground occupied by his men. He seems to have emptied both learners into the face at the complete out of the Texas service on the 16th, and was immediately mustered out of the Texas service on the 16th, and was immediately must read to defend the capital, while our castern cities are teening with unemployed, and their dryness was not of long duration; and he confidently thought that, after a few struggles, and was removed the their dryness was not of long duration; and he confidently thought that, after a few struggles, the bodied young men who refuse to come for ward to defend the capital, while our castern cities are teening with unemployed, she bodied young men who refuse to come for ward in defense of their courses. Mariette would fall into his arms, the iking fate for such a termination to what he considered to be skey, but their dryness was not of long duration; and he confidently thought that, after a few struggles, while their dryness was not of long duration; and he confidently thought that, after a few struggles, while their dryness was not of long duration; and he confidently thought that, after a few struggles, while their dryness was not of long duration; and he confidently thought that, after a few struggles, while their dryness was not of long duration; and he confidently thought that, after a few struggles, also bodied young men who refuse are teening with unemployed, and the confidently thought that, after a few struggles, and the confidently thought that, after a few struggles, and the confidence of their dryness was not of long duration; and he confidently thought that, after a few struggles, and the confidence of their dryness was not of long duration; and he confidence of their dryness was not of long duration; and he confidence of their dryness was not of long duration; and he confidence of their dryne of the sergeant, who sell in the agenies of death, was sustioned at Fort Brown, where it would reto the unwilling girl, who had several times reunen, have not yet sent in their quots of men killed a friend," awoke the party to a sense of what he had done, but the injury was beyond Galveston. reparation, and Mr. Gallagher was placed on Owing to the existence of civil war in the the barse with Mr. John Sutherland, of the State of Tamaalipus, we are without dates from within him, he would desist from further perse Shelby Dragoons, in whose arms he died in about the interior of Mexico. fifteen minutes after leaving the scene of the
